- The Reports of Decisions is designed to contain copies of all orders issued by credentialing authorities within the Department of Regulation and Licensing from November, 1998 to the present. In addition, many but not all orders for the time period between 1977 and November, 1998 are posted. Not all orders issued by a credentialing authority constitute a formal disciplinary action.

Because this data base changes constantly, the Department is not responsible for subsequent entries that update, correct or delete data. The Department is not responsible for notifying prior requesters of updates, modifications, corrections or deletions. All users have the responsibility to determine whether information obtained from this site is still accurate, current and complete.
- There may be discrepancies between the online copies and the original document. Original documents should be consulted as the definitive representation of the order's content. Copies of original orders may be obtained by mailing requests to the Department of Regulation and Licensing, PO Box 8935, Madison, WI 53708-8935. The Department charges copying fees. *All requests must cite the case number, the date of the order, and respondent's name as it appears on the order.*
- Reported decisions may have an appeal pending, and discipline may be stayed during the appeal. Information about the current status of a credential issued by the Department of Regulation and Licensing is shown on the Department's Web Site under "License Lookup." PROCEDURAL HISTORY

On November 20, 2008, the Wisconsin Chiropractic Examining Board (Board) issued a Final Decision and Order for the Respondent. The order required the Respondent to complete eight (6) hours of preapproved continuing education (CE) within ninety (90) days of the date of the order. The ninety (90) day period will expire on February 18, 2009. The Respondent petitioned the Board asking in the alternative that the Board extend her deadline 180 days for completion of the CE or that the Board accept the CE course she submitted for the Board's February 5, 2009 meeting. At that meeting the Board considered the Respondent's petition and the materials submitted.

FINDINGS OF FACT

1. The description of the course "Documentation, CPT Coding and Billing Compliance" was submitted to the Board for approval at its February 5, 2009 meeting. The course submitted does not address the issues related to the disciplinary order. The course is denied approval. In total the Respondent has submitted five CE courses for approval and all five have been denied approval by the Board.
3. The Board's November 20, 2008 order grants the Respondent until February 18, 2009 to complete her CE requirements. It also contains a provision that enables the Board to suspend the Respondent's license, without further notice or hearing, if the Respondent has not complied with the terms of that order by February 18, 2009.

ORDER

IT IS HEREBY ORDERED THAT, Dr. Hundt is granted a 30 day extension to complete the CE requirement in her November 20, 2008 order. The extension begins on February 18, 2009.

IT IS FURTHER ORDERED that Dr. Hundt's license will be suspended without notice or hearing, if the Respondent has not completed the required CE by March 20, 2009. The Board or its designee will remove the suspension, if provided with sufficient information that Dr. Hundt is in compliance with the order.

IT IS FURTHER ORDERED THAT this Order is effective on the date of signing.

Dated this 12th day of February 2009.

Wisconsin Chiropractic Examining Board
